

LIFTING POINTS

DOOR SEALS

Built with 2-stage EPDM rubber which is water and weather resistant from -100°C to +300°C.

CORTEN STEEL

Known for its rust-inhibitive properties, it gives containers durability and resistance to the elements.

SECURE LOCKBOX

Features a thick metal casing to protect the padlock from bolt cutters and other break-in tools.

CONDITION

Used shipping containers are guaranteed to be water and weather resistant to offer maximum protection for items stored. Used containers are typically 8-12 years old and may contain minor dents and surface rust.

LOCKING BAR HANDLES

The lockable handles facilitate easy opening & closing of the doors. A standard padlock can easily be fitted to the locking bar handle to prevent unauthorized access.

REPAINTED CHARCOAL GRAY

The charcoal gray paint provides a professional and neutral appearance that gives the container a fresh and long-lasting finish.

FORKLIFT POCKETS

Facilitate easy loading and unloading.

MARINE GRADE FLOORING

Consists of 1.1" thick, 19-ply marine grade plywood that can support up to 19,530lbs of payload and is treated to withstand spills and other contaminants.
