

**CORNER CASTINGS**  
Easy stacking and lifting points.

**2 x 8' ROLL-UP DOORS**  
The 2 corrugated steel roll-up doors installed on the container are 8' length each. They assist with access to the contents stored inside the container and facilitate easy loading and unloading materials within. They can also be locked for additional safety.

**CORTEN STEEL**  
Known for its unique rust-inhibitive properties, it gives containers durability and resistance to the elements.

**WEATHERPROOF VENTS**  
Help reduce heat, humidity and prevent condensation from forming during storage.

**SECURE LOCKBOX**  
Features a thick metal casing to protect the padlock from bolt cutters and other break-in tools.

**LIGHT GRAY PAINT**  
The light gray tone of our rental fleet provides a professional and neutral appearance that allows the container to blend in with its surroundings.

**FORKLIFT POCKETS**  
Facilitate easy loading and unloading.

**MARINE GRADE FLOORING**  
Consists of 1.1" thick, 19-ply marine grade plywood that can support up to 62,380lbs of payload. ATS rental units are coated with polyurethane for increased durability and a cleaner finish.
