

CORNER CASTINGS

Easy stacking and lifting points.

SECURE LOCKBOX

Features a thick metal casing to protect the padlock from bolt cutters and other break-in tools.

36" HIGH LOCKING BAR HANDLES

Make it easy to leverage your body weight to open or close the container doors, compared to standard 20"H locking bar handles.

DOOR SEALS

Built with 2-stage EPDM rubber which is water and weather resistant from -100°C to +300°C.

CORTEN STEEL

Known for its unique rust-inhibitive properties, it gives containers durability and resistance to the elements.

WINDOW WITH SECURITY BARS

1 window is installed on the right side of the container and security bars are welded into the frame for added security.

MAN DOOR

For added security, the door is equipped with four internal locking points built into the door frame. The door itself is also made of durable CORTEN steel and fitted with heavy-duty shipping container hinges, providing a strong, secure, and robust construction designed for demanding environments.

FORKLIFT POCKETS

Facilitate easy loading and unloading.

MARINE GRADE FLOORING

Consists of 1.1" thick, 19-ply marine grade plywood that can support up to 30,600 lbs of payload and is treated to withstand spills and other contaminants.

WEIGHT & DIMENSIONS

Exterior: 9'L x 7'2"W x 7'5"H

Interior: 8'6"L x 6'11"W x 6'9"H

Door Opening: 6'10"W x 6'7"H

Weight: 2,720 lb

Payload Capacity: 10,980 lb

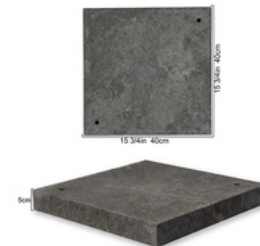

OPTIONAL STORAGE ACCESSORIES

Padlock

AC Power Port

Leveling Pad

Heavy duty shelf
